XRS shown in Silver Streak Mica

LE shown in Impulse Red Pearl with available aluminum alloy wheels

CE shown in Cactus Mica

Time isn't the only thing that flies when you're having fun. The Corolla S has fun written all over it, with aerodynamic halogen headlamps with smoked lenses, front and rear underbody spoilers and integrated fog lamps. For real thrills, the new high-performance Corolla XRS with its powerful 170-hp VVT-i engine, 6-speed manual transmission and 16-in. aluminum alloy wheels is ready for takeoff. Then there's the Corolla LE with multi-function remote keyless entry system, wide tires and power windows, door locks and color-keyed mirrors. And don't forget the Corolla CE and its 16-valve VVT-i engine and chrome grille surround. They say fun is where you find it. We think you'll find it behind the wheel.

S interior shown in Charcoal with AM/FM CD audio with six speakers

Say goodbye to your “I’d rather be...” license plate frame. After all, where else would you want to be but inside Corolla’s spacious cabin? Fun for five, air conditioning, 60/40 split fold-down rear bench seat¹ and an AM/FM CD with four speakers, making the interior a destination unto itself. Optitron meters² add a touch of refined illumination. Suddenly there’s no place you’d rather be.

LE interior shown in Pebble Beige with available Leather Trim Package and AM/FM CD audio with six speakers

- 1. CE, S and LE.
- 2. XRS and LE.

S = Standard 0 = Optional — = Not Available
P = Feature is available only as part of an option package.

1. Toyota's Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the Monitor System. See your *Owner's Manual* for details.

2. Shift-activated locking feature with automatic transmission only.

3. Requires anti-lock brakes. Available with automatic transmission models only.

4. Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

5. The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold level. The side airbags and side curtain airbags are designed to inflate in certain types of severe side-impact collisions. In all other accidents, the airbags will not inflate. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your *Owner's Manual* for further instructions.

AVAILABLE PACKAGES AND OPTIONS
CE Package

All-Weather Guard Package — includes windshield molding, anti-chipping tape, heavy-duty heater and rear heater duct

Convenience Package — includes power door locks¹ and cruise control

CE Options

- 4-wheel Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) and Tire Pressure Monitor²
- Driver and front passenger front seat-mounted side airbags and front and rear side curtain airbags³
- Cruise control
- Power door locks¹

S Packages

All-Weather Guard Package — includes windshield molding, anti-chipping tape, heavy-duty heater and rear heater duct

Enhanced Power Package — includes power windows, remote keyless entry and cruise control

Extra Value Package — includes power windows, remote keyless entry, cruise control, 15-in. aluminum alloy wheels with P195/65R15 tires and color-keyed rear spoiler

Sport Plus Package — includes 15-in. aluminum alloy wheels with P195/65R15 tires and color-keyed rear spoiler

S Options

- 4-wheel Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD); and Tire Pressure Monitor²
- Vehicle Stability Control (VSC)^{4, 5} with Traction Control (TRAC)
- Driver and front passenger front seat-mounted side airbags and front and rear side curtain airbags³
- Cruise control
- Power tilt/slide moonroof with sunshade
- Premium AM/FM 6-disc in-dash CD changer with six speakers

XRS Packages

All-Weather Guard Package — includes windshield molding, anti-chipping tape, heavy-duty heater and rear heater duct

Power Package — includes power windows and remote keyless entry

XRS Options

- Premium AM/FM 6-disc in-dash CD changer with six speakers
- Driver and front passenger front seat-mounted side airbags and front and rear side curtain airbags³
- Power tilt/slide moonroof with sunshade

LE Packages

All-Weather Guard Package — includes windshield molding, anti-chipping tape, heavy-duty heater and rear heater duct

Audio Value Package — includes Premium AM/FM 6-disc in-dash CD changer with six speakers and cruise control

- Driver and front passenger front seat-mounted side airbags and front and rear side curtain airbags³
- Cruise control
- Power tilt/slide moonroof with sunshade
- Premium AM/FM 6-disc in-dash CD changer with six speakers
- JBL AM/FM 6-disc in-dash CD changer with eight speakers
- 15-in. aluminum alloy wheels with P195/65R15 tires

1. Shift-activated locking feature with automatic transmission only.

2. Toyota's Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the Warning System. See your *Owner's Manual* for details.

3. The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold level. The side airbags and side curtain airbags are designed to inflate in certain types of severe side-impact collisions. In all other accidents, the airbags will not inflate. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your *Owner's Manual* for further instructions.

4. Requires anti-lock brakes. Available with automatic transmission models only.

5. Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Owner's Warranty Information* booklet for details.

Accessories: For accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's

in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Owner's Warranty Information* booklet or see your Toyota dealer.

TOYOTA FINANCIAL SERVICES*

Now that you're thinking about a Toyota, you may also want to consider leasing or financing the purchase of your new vehicle through your participating dealer and Toyota Financial Services (TFS). TFS offers a variety of high-quality finance and lease products to complement your lifestyle. At TFS we realize that purchasing or leasing a vehicle is a major commitment and we have developed some of the finest customer-focused finance and insurance solutions to help protect your interests over time. And in most cases, you may include your cost for

these products in your finance or lease contract. Few companies can match the expertise, customer care and total value of TFS. Ask your Toyota dealer or go to www.toyotafinancial.com for details.

*Toyota Financial Services is a service mark of Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc. Products are available to qualified customers through your participating Toyota dealer and Toyota Financial Services.

1. 2005 Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$540 for Cars and \$565 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC and SC is \$35 higher for Trucks, Sienna and SUVs, and \$50 higher for all other Toyota vehicles. The Delivery, Processing and Handling Fee in AR, LA, MS, OK and TX is \$35 higher for all Toyota vehicles. Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice.
